Dear Mr. Kennedy

As discussed and agreed to at the meeting at Willow Grove Air Reserve Station on 12 December 1995, request you coordinate submittal of comments in response to our release of the Draft Final Site Assessment Report, 111th Fighter Group, PA Air National Guard, Motor Pool Area, Bldg. 352, dated March 1995. Per the attached letter, the Field Operations Group, Storage Tank Section, is in the process of reviewing this report. Their projected completion time is approximately 90 days overdue at this time.

Your prompt attention to this matter is appreciated. If there are any questions, please contact my Project Manager, Mr. Winston Crow, at (301) 836-8155 or fax no. (301) 836-8121.

Sincerely

 Facility # 46-34440
 Horsham Township
 Montgomery County

Gentlemen:

The Department has received your closure report for the referenced facility and will try to review this document as soon as possible. Our current review time is approximately 140 days. You will receive a letter upon the completion of our review.

The Department's acceptance of a closure report does not in any fashion represent our endorsement of the contents of your report. The Department does not warrant the accuracy or veracity of any closure report.

If the Department subsequently obtains information which indicates the existence of contamination caused by conditions on your premises, we reserve the right to require additional site characterization and/or remediation. The Department reserves the right to take any legal action that it deems necessary to ensure compliance with the applicable laws and regulations.

Sincerely,

Stephan B. Sinding
 Acting Chief, Storage Tank Section
