

Story Time Guidelines

Story time is an excellent opportunity for parents to introduce young children to the library and the joy of reading. Story time is a great way to positively interact with your child, learn read-aloud techniques, and discover new books!

The library offers four 5-week sessions between September and May. Class is occasionally cancelled due to inclement weather. Families may call the main library line or check the website or Facebook page for updates.

Registration is required for Baby Tales and Toddler Tales. Parents may register (their child only) by going online to www.horshamrec.com.

Log into your Horsham Rec account at the top right-hand corner. If you do not already have an account, you must choose to create one in order to register for programs. **It is highly recommended that you create your account before the story time registration date to expedite your registration process.**

Choose the appropriate Baby or Toddler Tales class from the list of activities. **You may only register for one class. Duplicate registrations will be deleted.**

Follow the instructions to complete your registration.

If your child has any special needs, please alert the librarian before class and she will do her best to accommodate them.

Please, no food or drink in the story room.

Please silence cell phones during class and refrain from texting.

If you have any questions, please contact Miss Elyn at 215-443-2609 X206 or ebenner@mclinc.org
